Annual Notice of the Right to Request a Personal Curriculum (PC) Modifying Michigan Merit Curriculum (MMC) requirements for Graduation with a Regular High School Diploma

The Personal Curriculum is a process to modify specific graduation credit requirements and/or content expectations based on the individual learning needs of a student. It is designed to serve students who want to accelerate or go beyond the MMC requirements and students who need to individualize learning requirements to meet the MMC requirements for high school graduation.

The parent or guardian of a student for whom a personal curriculum is sought, or the student (if age of majority) or an emancipated minor may request a personal curriculum.

Other potential requesters include a current teacher of the student who has expertise in the proposed area to be modified by the PC, or who is determined by the principal to have qualifications otherwise relevant to developing a PC, or a school counselor.

According to Section 380.1278b amended of the Revised School Code regarding the Michigan Merit Curriculum and personal curriculum, If the request for a personal curriculum is made by the pupil's parent or legal guardian or, if the pupil is at least age 18 or is an emancipated minor, by the pupil, the school district or public school academy shall develop a personal curriculum for the pupil.

A personal curriculum may be requested prior to 9th grade for a student with an Individualized Education Program (IEP), with the earliest implementation at the start of 9th grade. For students without an IEP, a request for a PC is allowable after the student has completed 9th grade.
